

### **Amendments to the Drawings**

The Notice to File Corrected Application Papers mailed on June 20, 2011, states that the drawings are deficient because Figures 2 and 5 have an ink stamp or image thereof that obscures part of the illustration. Replacement drawings are being filed herewith that eliminate these markings. Entry of the replacement drawings is respectfully requested. No new matter has been added.

Attachment: Replacement Sheets

Respectfully submitted,  
CHOATE, HALL & STEWART LLP
